OVERVIEW OF TIA: FOR WHICH PERSPECTIVES IS THE TIA CREATED?

Tunisia Investment Authority was created within the framework of the Investment Law

Being the unique interlocutor of investors promoting projects whose value is higher than 15 MTD and projects of national interest

Managing the investor relations from end-to-end - query processing, investment declarations, applications for authorization ...
Responding adequately for financial incentives requests

Simplifying and harmonizing procedures for the investor in coordination with the other relevant agencies & administrations
Ensuring compliance with the deadlines for reply and standardizing the investment project process

Coordinating with the investment promotion agencies in order to ensure consistency of the state's action aimed at fostering private-sector investment

Being proactive in terms of investment strategy and policy reforms.

PRESENTATION OF TIA: OUR VISION, MISSION, AND VALUES
